The Salisbury Fire Department Goes RED on Fridays

From now until Labor Day, members of the Salisbury Fire Department will wear red t-shirts on duty every Friday as a way to Remember Everyone Deployed (RED) and show support to the men and women of this country currently serving in our Armed Forces overseas. The idea of wearing red clothing on Fridays began some time ago and is a simple, yet powerful, way of showing our gratitude to our deployed Armed Forces personnel. Our Department has had numerous personnel deployed through various branches of the military over the years, and this is just one way for the Department to say "Thank You" to those members as well as other brave men and women currently deployed.

All money raised from the purchase of the shirts, as well as personal donations, will be donated to the Wounded Warrior Project.
